To

Comrade Jackson Hinkle
International Secretary
American Communist Party

Dear Comrade,

Thanks for the Letter that you sent to Comrade K N Ramachandran, our former General Secretary, expecting a message of fraternal greetings from the Communist Party of India (Marxist-Leninist) Red Star for the Second National Congress of the American Communist Party.

On this occasion, the CPI (ML) Red Star conveys its whole-hearted Revolutionary Greetings to the Second National Congress of the American Communist Party!

As we all know, the US imperialism, which has been acting as the supreme arbiter of postwar neocolonial world order through a whole set of political, economic and military arrangements, is now in a declining phase. At the same time, it is becoming more aggressive as is exemplified in its role as co-perpetrator of the Zionist war crimes and the genocide unleashed on the Palestinians. The aggression on Iran by the US-Zionist axis of evil is its latest manifestation.

As you are aware, today the Indian people are under the Hindutva fascist regime. It is ideologically led by the RSS, the world's largest and longest-running fascist organisation with its innumerable affiliates, including in the US. And, the Indian government is also acting as a junior partner of US imperialism in the sharpening US-China inter-imperialist contradictions. In essence, India is a neocolonial country that follows the diktats of IMF- World Bank twin in which the US still holds veto power.

In this context, upholding both proletarian internationalism and the Leninist clarion call "workers and oppressed peoples of the world unite", the CPI (ML) Red Star is engaged in building up fraternal relations from an anti-imperialist and anti-fascist perspective at a global level, while taking up the immediate task of overthrowing RSS fascism joining with all anti-fascist forces within the country.

We, once again wish our revolutionary greetings and solidarity for the success of the Second National Congress of ACP. Let's strengthen our Fraternal relations in the days ahead.

On behalf of the Central Committee of CPI (ML)Red Star,

Comradely

P J James
General Secretary
