Subject: Fraternal Greetings to the Second National Congress of the American Communist Party

Dear Comrade Jackson,
Dear Comrades,

On the occasion of the American Communist Party's Second National Congress, taking place on October 9-10, please accept my warm fraternal greetings and wishes for fruitful discussions and a successful Congress.

As a member of the Political Bureau of Morocco's Party of Progress and Socialism, I reaffirm our commitment to international solidarity, social justice, workers' rights and the struggle for peace, sovereignty and socialism.

The bonds between progressive forces across the world draw strength from dialogue, mutual respect and solidarity in action. May your Congress contribute to strengthening your organization and advancing the aspirations of working people.

We look forward to deepening exchanges between our parties and developing cooperation in support of our shared ideals.

Please convey my comradely greetings to all members and delegates attending your Congress.

With fraternal solidarity,

Said Bakkali
