Dear Comrades in the American Communist Party,

Comradely greetings,

The Palestinian Popular Struggle Front, represented by its Secretary-General, Comrade Dr. Ahmad Majdalani, and the members of its Central Committee and Political Bureau, extends its warmest fraternal greetings and congratulations to our comrades in the American Communist Party on the occasion of the convening of your Second Congress. We wish your Congress every success.

We affirm that solidarity among left and progressive forces is not a passing position, but an internationalist commitment in confronting imperialism, occupation, exploitation, and war, and in defending the rights of workers and peoples, their freedom, and their right to self-determination.

From Palestine, the Palestinian Popular Struggle Front affirms that the struggle of our people for freedom, an end to occupation, and national independence is an integral part of the common internationalist struggle against colonialism and domination. We highly value your solidarity with the Palestinian people and their just cause.

We look forward to strengthening fraternal relations, solidarity, and joint struggle between the Palestinian Popular Struggle Front

and the American Communist Party, and to moving forward together in building stronger internationalist bridges among the forces of the left, the working class, and peoples engaged in struggle.

Long live internationalism and solidarity among peoples .

Long live the struggles of the working class.

Freedom for Palestine.
