The DPRK International Solidarity Group

10/6/2026

To the Central Committee of the American Communist Party:

The DPRK International Solidarity Group extends the warmest greetings to the American Communist Party and congratulates it on the successful convening of its second national congress!

In recent years, the U.S. imperialism has created tensions in many parts of the world. Against this backdrop, the second national congress of the American Communist Party was held. Hegemonism often implies unjustified interference and war threats, and will bring serious consequences to all mankind. In view of this, the Communist parties of various countries, the workers' parties, and the forces of peace around the world all expect the American people to carry out anti-imperialist struggles under the leadership of the American Communist Party. Here, we wish the second national congress of the American Communist Party a complete success, and wish you all the best. We also hope that you will continuously strengthen the struggle of the American people for peace and democracy.

President of the DPRK International Solidarity Group,

Chairman of the Central Committee of the DPRK ISG

Zheng Yutong
